# Demo voice lines: Office and ride

Oct 16, 2026 · @Matty

## How to use this script

This is a first draft for the demo's office part, the ride, and the arrival at the game show. Generate the lines, listen to them in the prototype, and change what does not fit.

- **IDs.** Every line has an ID, such as `OFF_INTRO_01`. Use it as the audio file name, so the spreadsheet and Unity can find the file. Letters (`a`, `b`, `c`) are alternate versions of the same line. Generate all of them, then keep the best or pick one at random in the game.
- **Delivery notes.** The note column says how the line should sound. Some AI voice tools accept short notes in brackets in the text. Check which ones your tool supports.
- **Her wording rules.** Every line was checked against them: (1) everything she says is literally true, (2) she says what Johnny can do, never what will happen, (3) neutral verbs like choose, select and decide.
- **Her default delivery.** Calm, polite, slow, a little warm. She never shouts and never laughs. Short pauses between sentences.

## Waking up and introduction

Johnny wakes up in the office chair, blinking and panicking. His mouth is sewn shut, so he can only mumble and breathe through his nose. She greets him, tells him about his mouth, and calls it a simple test. "Nothing in this room will hurt you" is true for the office only, and it sounds different once the game show starts.

**Johnny (mumbles and breathing only, no words):**

| ID | Sound | Delivery |
|---|---|---|
| JOH_MUM_WAKE | Panicked mumbling, "mmm? mm mm!" | Groggy, then scared. 3 to 4 seconds |
| JOH_MUM_PROTEST | Short, angry "mm! MM!" | Struggling against the straps |
| JOH_MUM_BEG | High, broken "mmm... mmm..." | Scared, pleading |

| ID | Sound | Delivery |
|---|---|---|
| JOH_MUM_PAIN | Muffled scream through closed lips | For the fingers and other losses |
| JOH_BREATH_FAST | Fast breathing through the nose | Panic, 5 seconds, loopable |
| JOH_BREATH_SLOW | Heavy, slow breathing through the nose | Calming down, 5 seconds, loopable |

You can record these yourself. Keep your lips fully closed and breathe only through your nose.

**Her:**

| ID | Line | Delivery |
|---|---|---|
| OFF_INTRO_01a | Hello, Johnny. | Warm, unhurried |
| OFF_INTRO_01b | You're awake. Good. | Pleased, quiet |
| OFF_INTRO_MOUTH | I sewed your mouth shut. Here, what you say doesn't matter. What you do does. | Calm and kind, as if explaining a rule. Plays after his first mumbles |
| OFF_INTRO_02a | I have a simple test for you. | Light, as if it's nothing |
| OFF_INTRO_02b | I have a short test for you, Johnny. | Light |
| OFF_INTRO_03a | Breathe, Johnny. Nothing in this room will hurt you. | Soothing |
| OFF_INTRO_03b | You're in an office. Nothing here will hurt you. | Soothing, a little slower |

| OFF_INTRO_04b | Let's call it an interview. | Friendly, slight smile |
| OFF_INTRO_05a | It's just a simple test, Johnny. | Calm, reassuring |
| OFF_INTRO_05b | Relax. It's just some paperwork. | Calm |

## Explaining the papers and stamps

She teaches the stamps over the first two questions. The office has no timer: she waits for every answer, and question 1 waits until he accepts. The green stamp can be used once per question, and after that it will not lift (a dull clunk sound, no voice line). She never limits the red stamp, so he can decline every paper in a question.

| ID | When | Line | Delivery |
|---|---|---|---|
| OFF_RULES_01a | Before question 1 | Let's begin. | Calm |
| OFF_RULES_01b | Before question 1 | There's a paper on the desk in front of you. | Matter-of-fact |
| OFF_RULES_02 | Question 1 | Here is a statement. "I only tell the truth." | Slow, clear. A small pause before the quote |
| OFF_RULES_03a | Question 1 | Pick up the green stamp, and accept it. | Gentle instruction |
| OFF_RULES_03b | Question 1 | Take the green stamp. Accept it. | Gentle instruction |
| OFF_RULES_04 | After question 1 | Thank you, Johnny. | Warm, quietly pleased |
| OFF_RULES_05 | Question 2 | Here is a red stamp, for declining. | Matter-of-fact |
| OFF_RULES_06a | First question with two papers | Remember this: you can use the green stamp only once per question. | Clear, slow on "once" |
| OFF_RULES_06b | First question with two papers | The green stamp works once per question. Remember that. | Clear |
| OFF_RULES_07a | Early | There are no wrong answers. Just be honest. | Warm |
| OFF_RULES_07b | Early | Answer honestly. That's all I ask. | Warm |

# Question pool

A pool of 43 questions to choose from, sorted by number of papers. Pick the strongest for each slot in the office shape, then put them in order. The type says what each question is for, and the last column says where a belief or a hint can pay off later in the demo.

| Q4-06 | Belief | The right punishment for stealing: a fine. / Prison. / Losing a hand. / Nothing. | Q1-02 |

### Notes for choosing

- The decline-all bait works best late, after he has seen three and four papers.

- Q1-17 ("I make decisions quickly") can be checked against his recorded times. Her line would need number variants, such as "You said you decide quickly. That took forty seconds."
- Q3-06 forces a contradiction with Q1-02: he said stealing should always be punished, but he can punish only one.

## Office script in order

All 15 of your questions fit the shape 1/3, 2/3, 1/1, 3/3, 1/1, 4/3, 1/1 exactly, so none were cut. Each block starts with its mildest question, and the darkness rises inside the block. The office ends on the finger statement, which leads straight into the game show. "Any" means the line plays whatever he stamps. Waiting lines can play during any question.

**Two changes from the pool**

- Q12 "I don't know yet": I changed her answer from "You will." to "Let's find out." "You will" says what will happen, which breaks her rule 2.
- Q8 voice: "You already gave one of those" became "You aren't using that one anyway." He did not give his voice, she took it, so the old line was not literally true.

## Reactions

After most stamps she says one short neutral line, picked at random so it does not repeat. A few papers get their own reaction, and she says nothing after some stamps, which feels more watchful than talking every time.

**General (random after any stamp):**

| ID | Line | Delivery |
|---|---|---|
| OFF_REACT_01 | Thank you, Johnny. | Polite |
| OFF_REACT_02 | Noted. | Flat |
| OFF_REACT_03 | Good. | Neutral |
| OFF_REACT_04 | Next. | Brisk |

| ID | Line | Delivery |
|---|---|---|
| OFF_REACT_05 | I see. | Thoughtful |
| OFF_REACT_06 | Mm-hm. | Writing it down |
| OFF_REACT_07 | Interesting. | Quiet, slow. Use rarely |
| OFF_REACT_08 | I'll keep that in mind. | Light, slightly too sweet |

**Paper-specific (optional):**

| ID | When | Line | Delivery |
|---|---|---|---|
| OFF_REACT_Q04 | Question 4, any answer | Noted. | Slow |
| OFF_REACT_Q07 | Question 7, any answer | Interesting choice. | Quiet |
| OFF_REACT_Q10 | Question 10, any answer | I'll remember that. | Calm, a short pause before |
| OFF_REACT_DECALL | Any question, all papers declined | Neither. I see. | Neutral, slightly interested |

**Waiting and time:**

There is no visible timer in the office. The game quietly records how long each answer took, for the stats screen and possibly the demo modifier (Quick, Hesitant, Calm). If he waits too long, she speaks, calmly and truthfully. The seconds below are first guesses.

| ID | When | Line | Delivery |
|---|---|---|---|
| OFF_WAIT_01 | No stamp after 20 seconds | Take your time, Johnny. | Patient, kind |
| OFF_WAIT_02 | No stamp after 40 seconds | I'm still here. | Quiet, closer |
| OFF_WAIT_03 | No stamp after 60 seconds | I have other subjects waiting. | Polite, flat. A hint he is not the only one |
| OFF_WAIT_04 | Spare | Whenever you're ready. | Patient |

| ID | When | Line | Delivery |
|---|---|---|---|
| OFF_TIME_FAST_a | Stamped in the first 2 seconds (rare) | That was quick. | Mildly impressed |
| OFF_TIME_FAST_b | Stamped in the first 2 seconds (rare) | No hesitation. | Neutral |
| OFF_TIME_SLOW | Stamped after a long wait | You took your time. | Dry |

**The clock (atmosphere, not a mechanic):** a wall clock as one of the small wrong things in the office. It either ticks too loudly or has no hands. The first real countdown appears at the game show.

## End of the office

She closes the office with your line from the design, and the chair starts to move. "That was the easy part" is true, and it is the first sign that the real test is different.

| ID | Line | Delivery |
|---|---|---|
| OFF_END_01a | Thank you, Johnny. That's all the papers. | Polite, wrapping up |
| OFF_END_01b | That's the last one. | Neutral |
| OFF_END_02a | Great, now let's start the main test. | Bright, a little too bright |
| OFF_END_02b | Good. Now the main test can begin. | Calm |
| OFF_END_03a | That was the easy part. | Quiet, almost kind |
| OFF_END_04a | Please stay seated. | Polite, like a flight attendant |
| OFF_END_04b | Don't get up, Johnny. | Dry. He can't get up |

## The ride to the game show

About 15 seconds through a tunnel: two or three lines with silence between them. The ride hints at the next room without saying what happens there. "Rest your hands" is true advice, and it pays off when the fingers start to go.

| ID | When | Line | Delivery |
|---|---|---|---|
| RIDE_01a | Start | Take a break, Johnny. | Relaxed |
| RIDE_01b | Start | Enjoy the ride. | Relaxed, pleasant |
| RIDE_02a | Middle | Rest your hands. | Gentle, caring |
| RIDE_02b | Middle | Rest your hands while you can. | Gentle. The darker version |
| RIDE_03a | Near the end | The next room is a little louder. | Matter-of-fact |
| RIDE_03b | Near the end | Do you like game shows, Johnny? | Light, curious |
| RIDE_03c | Near the end | I hope you like television. | Light |
| RIDE_04 | Spare | Almost there. | Calm |

## Arrival at the game show

The chair stops, the lights blast on, and the host takes over for a moment. Then she explains the foot button, up to the first free press. The finger line ("From now on, each press costs a finger") belongs to the game show script, so it is not here.

**Host (optional, a loud male voice):**

| ID | Line | Delivery |
|---|---|---|
| HOST_ARR_01 | LADIES AND GENTLEMEN... | Huge, stretched out |
| HOST_ARR_02 | Please welcome our next contestant... JOHNNY! | Over the top, jingle after |
| HOST_ARR_03 | Let's find out... WHO ARE YOU UNDER PRESSURE? | Shouted title, applause after |

**Her:**

| ID | Line | Delivery |
|---|---|---|
| GS_ARR_01a | Welcome to the next room. | Calm, a contrast to the host |
| GS_ARR_01b | I'm sorry about him. He's very excited. | Dry, quiet |

| ID | Line | Delivery |
|---|---|---|
| GS_ARR_02a | Your hands are strapped down now. You answer with your foot. | Clear |
| GS_ARR_02b | You won't need your hands for this one. Use your foot. | Light. Darker on a second listen |
| GS_ARR_03a | There's a button under your foot. Press it, or don't. You decide. | Calm |
| GS_ARR_04a | The first press is free. | Pleasant, a small pause before "free" |

## Open questions

These change which lines you need, so they are worth deciding before you generate everything.

- [ ] Which questions are decoys, and which are beliefs she brings up later? Each belief needs a later moment where she can comment on it.
- [ ] Does she read every paper aloud, or only some, with the rest read silently on screen?
- [ ] Is the host in the demo, or only in the full game?
- [ ] Should the general reactions be random, or fixed per paper so every player hears the same ones?
